Step By Step-Project – PULL ON IT

Lyrics written by Madeleine Rascher

Verse 1

He's acting tough but not tough enough
That's why he's gonna spend his lifetime with his phony stuff
You're acting like you're dying
Instead of living love and flying

Maybe it's time that he takes on responsibility
In his world of chut and painful history

Pre-Chorus

You sow your seed into the earth and then you pull on it
Pull pull pull on it

Chorus

No matter how hard you pull
Won't grow any faster faster
No matter how hard you push
There is noting left

Ho

Verse 2

Racism, hedonism, me too, doesn't mean a damn thing to you
He doesn't even think about it nor is he aware
And if he gets in touch with it, he just changes gear

Pre-Chorus

You sow your seed into the earth

Chorus 2x

No matter how hard you pull
Won't grow any faster faster
No matter how hard you push
There is noting left

Solos

Chorus

No matter how hard you pull
Won't grow any faster faster
No matter how hard you push
There is noting left

No matter how hard you pull
Won't grow any faster faster
